Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of the Ministry of Agriculture. All wagering pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations.

Rules and Information Regarding Canadian Harness and Foreign Separate Pool Events

General

The Canadian Pari-Mutuel Agency can be contacted at 1 800 268-8835 or 613 759-6100 or cpmawebacpm@agr.gc.ca. A complete version of CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>

All tickets should be held until the result of the race is declared official and prices are posted. No person under the age 18 shall purchase or cash a ticket or voucher. A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty-four hours of buying or cashing valid ticket or voucher. No rules made by the judges or AGCO with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-outs or distributions of pari-mutuel pools. Program changes and e photo finishes pictures are shown on the televisions. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

Super Hi 5 Betting

A betting transaction in which the purchaser of a ticket undertakes to select the first five horses representing different betting interests to finish, the exact official order of finish in the race on which the feature is operated. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current pool will be carried over to the next Super Hi feature.

Pick 4 and Pick 3

The Pick 4 and Pick 3 features are betting transactions in which the purchaser undertakes to select the winner of four or three successive races respectively. In the event selected horse is scratched, the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch(es) occurred, will be substituted for the non starting selection. In the event that the money bet in the win pool for two or more favourites identical, the selection with the lowest program number shall be substituted for the non starting selection. **However, if a scratch occurs in any leg a Pick pool before the pool is closed, a ticket including the scratched horse may be cancelled.**

Association Percentage and Taxation/Levy

Pick 4, Pick 5 & Super High 5 11.7%, Trifecta 21.95%, all other wagers 20.75%. Additionally, Ontario Provincial Levy 2% on all pools, except 4% trifecta pools. Ontario Government retains 0.5% on all bets. The Federal government through a revolving fund cost recovery basis retains 0.8% on all wagers placed in Canada for provision of drug control and audit services.

Federal Regulations Amendment

In the unlikely event that the prices are posted which are based on an incorrect official order of finish, associations must immediately stop paying the erroneous prices, recalculate and pay the correct price including correction of all account-based wagers.

For wagers, no matter what the cause, which cannot be combined into the host track's pools before the end of the race; federal regulations require that such bets must be refunded.

Payment of wagers will be made only on the presentation of a valid pari-mutuel tickets.
